

## The 1st meeting

Date/Time: 4 July 2015 (Sat.) 10:00 - 17:00

Venue: Room 304, ILCAA

Language: English

**Eric McCREADY (ILCAA Joint Researcher, Aoyama Gakuin University)** project overview

**Hiroki NOMOTO (ILCAA Joint Researcher, Tokyo University of Foreign Studies)** "Sentence final particles in Malay"

**Christopher TANCREDI (ILCAA Joint Researcher, Keio University)** "Introduction to formal semantics and pragmatics"

Summary: This first meeting was used to introduce the details of the project to the participants and to determine its scope. After the project overview given by McCreedy, there was extensive discussion of what is to be considered a particle and to fall under the scope of the project. After this, Nomoto presented on the system of sentence-final particles in Malay and Tancredi gave an introduction to formal semantics and pragmatics.
