

1. Event Title

«Workshop» New Perspectives on the Relationship with Study Areas based on Modern Mongolian Studies

2. Date

22 February, 2014 (Sat) 13:00-18:10

3. Venue

306 MM Seminar Room, Research Institute for Languages and Cultures of Asia and Africa, Tokyo University of Foreign Studies

4. Contents

[Purpose]

Researchers share various relationships with the people of study areas, both at home and overseas, because of the present increase in the movement of people and goods across borders. This workshop will examine new perspectives on these relationships based on Mongolian studies after the collapse of the Cold War regime in the early 1990s. We would also like to discuss how to create a platform for sharing research and facilitating communication.
