

Technical Workshop
Two-day lecture and workshop on “linguistic fieldwork and language documentation”

Research Institute for Languages and Cultures of Asia and Africa, TUFS

Call for participants

This workshop aims to provide the researchers and students with the knowledge and insights that are useful for linguistic fieldwork and language documentation of endangered/ minority/ lesser-studied languages. Dr. Sonja Riesberg, who has deep experience of linguistic fieldwork in the Papua Province, Indonesia, will give lectures and trainings.

The main topics are;

- How to use the data annotation software ELAN (lecture and practice)
- Method of linguistic fieldwork: how to elicit linguistic data from speakers (lecture)

1. Date/Time: 14-15 March, 2017, 10:30-16:00

Timetable

	14th	15th
10:30-12:00	Lecture: annotation software ELAN: outline of its function and use	Method of linguistic fieldwork: how to elicit linguistic data from speakers
13:00-16:00	Practice: ELAN	Personal clinic

Lectures may be taken individually. Please bring your own laptop for the practice session. Advices on your own data by the lecturer are available at the venue in the afternoon session on 15th; please bring your own data.

2. Venue:

Room 304, Research Institute for Languages and Cultures of Asia and Africa (ILCAA), Tokyo University of Foreign Studies (TUFS)

3. Lecturer:

Dr. Sonja Riesberg (Australian National University, University of Cologne, ILCAA Joint Researcher)

4. Prerequisites for applicants:

Students and researchers conducting or going to conduct linguistic fieldwork

5. Application:

Application is needed for participation. Please send the following information by email:

- (1) Your name in full
- (2) Affiliation
- (3) E-mail address

E-mail address: lingdy-apply[atmark]aacore.net
With subject: "Application for the technical workshop"

6. Deadline for applications: 11:59 AM (JST), 9 March 2017 (Thu.)

7. Language: English

8. Participation fee: Free of charge

9. Further information:

Information about the previous workshops can be found at:
